Please be advised that arrangements to visit the site should be scheduled with the EPA (Gary Moore 214-789-1627) and that site is only accessible through the Wayland Street entrance. I have also attached a site plot plan identifying the locations of the Frac Tanks and Vacuum Boxes.

Mr. Dana:

Attached is a list of the Dana containers on the CES site.

The Dana containers are at 4904 Griggs Road, Houston, Texas 77021. The name of the Debtor company is CES Environmental Services, Inc.

Mr. Gary Moore with the EPA will be on the site through this Friday. You said you would ask your employee, Ruben, to go to the site tomorrow to look at the containers. He can ask Mr. Moore to go on the site and for the location of the Dana containers.

After he has visited the site and viewed the containers, please call me.

Thank you.
